Working experience:

Danish Refugee Council program has employed Mrs. Gjylfidane Morina in the period 28.08.1999-31.12.2002.

Mrs. Morina has been employed in the Villages Program, stationed in Peja /Pec, as Field Officer.

Her obligations as Field Officer were in general –in cooperation with 4 colleagues- to implement and support the activities in the field as well as monitoring the processes, ensuring that the process of empowerment among the beneficiaries took place.

More specific the position requires the abilities: overview, structural approach, intuition, and ability to enter dialogues with the participant.

Mrs.Morina has in any way lived up to our expectation. She is hard –working , very engaged and supportive toward colleagues- and she hold the courage to challenge herself as well as colleagues and beneficiaries in a humorous and productive way. She has without any doubt been a great plus in the transmission process of program towards the establishment of the independent Kosovo Housewife Association.

D.R.C. can without any doubt at all recommend her to any organization.
